

36th District Court Website Redesign Navigation Guide

The 36th District Court website has been redesigned to help users find the most frequently used links quicker and to provide a user friendly home page. Below you will find navigation arrows indicating where links have been moved from the old site to the new site.

All the tabs previously located at the top of the sites page have been moved to a collapsible Menu.

In the collapsible Menu, you will find all the sub links for each section.

The courts contact information has been moved to the top of the page. Additionally, you can click on Contact Us in the scrolling banner for the courts contact information.

The Directory and Holidays / Court Closures have been moved to the top of the page for quick access.

The Announcements have been moved to Flip Cards. When clicked on, it will take you to that announcement.

At the top of the website page, you will see Alert Announcements. This is a dismissible alert which can be dismissed by clicking on the X in the announcement.
